Hey Monica,

We had to switch banks and the wire process with the new bank has been very rocky.

I have wires pending for the remaining amounts, but they have not released. I am back and forth with the bank to get this fixed. I can't get a clear reason on why they haven't released yet. I think they are just being cautious since these amounts are large and this is a new account. I will keep you posted. I apologize.

One thing I can confirm is that we do have plenty of cash to pay these bills.

Thank you,
